Painting a Landscape
using Oils or Pastels

Content:

- **For an oil painter or pastel artist, there are few things more satisfying than capturing the beauty of nature in one's art! You'll learn the tips and techniques I've used in my work to plan and complete your own artwork in this series (4 one hour sessions).**
- Colour mixing & properties of medium in use.
- Discovering the colours, textures and light of a landscape, and the impact of a warm or cool colour palette on your landscape.
- Tips for creating textures, depth & dimension.
- Layering & blending of colours.
- Planning a painting starting with a thumbnail sketch, considering a composition & choosing a colour palette.
- Supplies needed: A selection of your paints or pastels, a variety of brushes, a palette or tray, canvas or pastel paper (Suggested: 9 x 12") and a sketch pad.

Where: My Home Studio located in Broadmead, Victoria, B.C.
